STREET

Street captures movement, repetition, and modern linear textures through a refined and contemporary textile expression.

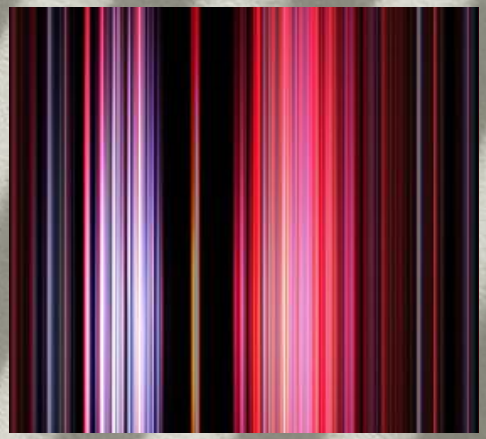

GAIA®

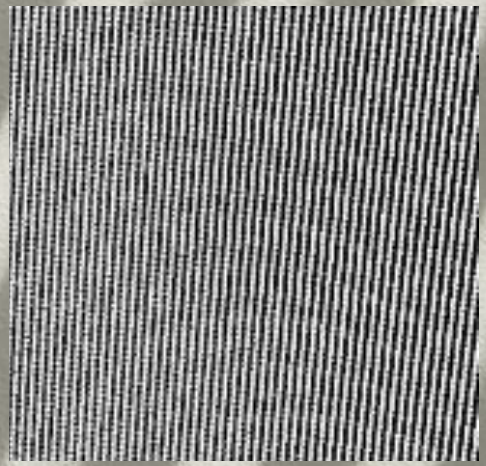

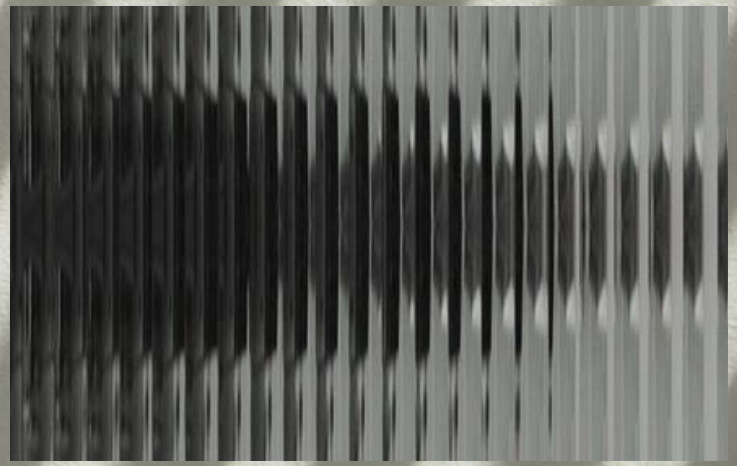

MINDS THAT CREATE , HEARTS THAT TUFT

STREET

Street is a textile collection inspired by evolving urban patterns, directional lines, and the rhythm of modern movement. The design explores layered linear textures, shifting tonal gradients, and repetitive structures that reflect the fast-changing visual language of contemporary spaces. The composition creates depth and flow through minimal yet dynamic pattern arrangements.
